

McLaglen Group Entertains Vets

Hospitalized ex-servicemen at Sawtelle Veterans Administration Center will be treated in action and excitement Sunday afternoon when Victor McLaglen's famous Light Horse Troop and Motor Cycle Corps are presented in the center's ball park.

The show is being sponsored by the Knights of Columbus and St. Vincent de Paul Society in cooperation with the National Catholic Community Service, coordinated by Mesdames Irene Thiele and Don Caler.

Col. Adolphe Kuri, commander of the troop and corps, says that expert horsemanship, skill and daring will provide thrills a-plenty for the veterans as riders dash over hurdles, through hoops of fire, in pyramids and precision formations.

Calculus Review Offered at E. C.

Calculus review will be offered in a new class opening this week at El Camino, which is designed

for engineers and others wishing to brush up on higher mathematics. The course is scheduled on Tuesdays from 7:30 to 9:30 p.m. First meeting of the class was held Tuesday, but students may register through October 10. Prerequisites for enrollment are the completion of courses in differential and integral calculus.

Herbert J. Jones, regular mathematics instructor, will conduct the class, which offers two units of college credit.
